Description

This charming studio apartment forms part of a converted town hall building at Bexley Square, which is a popular and highly convenient area off Chapel Street.

This impressive grade II listed development is perfectly positioned close to a number of independent bars, cafes and restaurants within the square itself and along the Chapel Street corridor.

Furthermore it's only a short walk from Manchester city centre and provides easy access to a number of transport links including Salford Central train station, Trinity Way and motorway network.

The property is separate from the main building and occupies a first floor corner aspect position via a fob entry system. The bright and well maintained accommodation has been recently redecorated throughout and is sold with vacant possession.

We have been made aware by the vendor that the property has doubling ground rent and a high service, there is no deed of variation in place. Please see the legal pack for more information.
