Description

This split-level maisonette in Dartford Street, SE17, offers generous proportions, private outside space and a convenient location close to the heart of Elephant & Castle. With its own front door, two double bedrooms and a spacious reception with balcony, it provides a bright and practical base in Zone 1.

The layout is simple and well considered. On the second floor, the large reception room spans almost 20 feet in length, opening onto a private balcony – a rare bonus in this part of London. The separate kitchen is fitted in a straightforward style, with scope to modernise to suit personal taste. Upstairs, two well-proportioned bedrooms share a family bathroom. Both bedrooms are double-sized, making the property ideal for sharers, a young family, or anyone looking for flexible space to work from home.

The location is a real advantage. Elephant & Castle station (Zone 1/2) is within walking distance, offering both Northern Line and Bakerloo Line services along with National Rail, putting the West End, City and Canary Wharf within easy reach. Local bus routes are excellent, and cycling into central London is straightforward from here.

The surrounding area has seen significant regeneration in recent years, with a growing choice of shops, cafés and restaurants. Mercato Metropolitano is a standout nearby destination for street food and socialising, while Sayer Street brings together independent eateries and bars. Borough, Bermondsey Street and the South Bank are all close enough for weekend exploring, with food markets, galleries and riverside walks to enjoy.

Green space is better than many expect in this central location. Burgess Park is just a short walk away, offering wide open lawns, a lake and sports facilities, while Kennington Park is also within easy reach.

Altogether, this maisonette represents a practical and well-located home with strong rental appeal and plenty of potential to personalise. With its balcony, generous reception and own entrance, it offers more than most flats at this price point, right in the heart of one of London's fastest-changing areas.
