Description

This three-bedroom end of terrace property, situated just off Armley Town Street offers superb potential as a buy to let investment with potential to generate between £850 and £900pcm as a single let in a popular rental area, with good transport links and easy access to Leeds City Centre.

The property benefits from a spacious kitchen/reception room providing access to a cellar benefiting from plumbing for a washing machine and dryer, three bedrooms and a family bathroom – all set over 4 floors. There is excellent opportunity for a buyer to carry out further improvements, increasing re-sale and rental value with a potential, post work rental net yield of over 8% as a single let.

The kitchen itself was only installed approximately 4 years ago and features fitted base and wall units incorporating a stainless-steel sink/drainage with mixer tap plus an electric oven with gas hob and overhead extractor. The property has three carpeted bedrooms – 2 doubles and 1 single plus a tiled bathroom which would benefit from some modest improvement. There is scope to extend onto the area to the side of the property STP. Externally can be found ample on street parking.

Situated in the popular LS12 location, Edinburgh Terrace – situated just off Armley Town Street, offers excellent access to Leeds centre and a number of local amenities. The area is well served by regular transport links and offers good access of the motorway network.
