Introduction

Hamilton court is a delightful managed property that is located in the heart of Canvey, making it convenient for all local amenities.

The property is located on the ground floor, at the back of the development and benefits from a stunning view, from it's veranda, of the communal gardens.

The home is currently vacant so viewings can be conducted straight away and with no onward chain, this should be a straight forward, stress free move!

Accommodation

Access to the property is gained by passing through the communal hallway, into your own central hall, and a entry phone system is provided giving you extra security!

Once inside the property you immediately notice the space on offer, even in the hallway. The hall provides access to all of the accommodation.

The open plan layout of the lounge, diner and kitchen areas gives a real sense of space as soon as you enter this part of the home, and the doors leading out your own veranda only emphasize this further. The kitchen itself provides an expanse of units in a medium oak effect, as well as ample work surfaces with inset sink unit and hob. Built in oven, and other appliances to remain. This is all finished in complimentary tiling adding to the clean feel of the kitchen.

Both bedrooms are a great size, with bedroom one also boasting fitted wardrobes.

Complementing the internal accommodation is a four piece bathroom with bath, shower cubicle, hand basin and toilet

Outside

As previously mentioned the property benefits from its own veranda which overlooks the well maintained communal areas, including the gardens and communal meeting point.

There is a day room for all residents to socialise and relax

There is also communal parking.
