Description

We are delighted to offer this fantastic opportunity to bid on this three bedroomed semi detached house situated in the sought after village location of Adlington. The property benefits from gas central heating and double glazing and has recently passed its EICR so has all the relevant documents needed for legal rental.

The accommodation briefly comprises; Entrance hallway, lounge, ground floor wet room/bathroom and kitchen to ground floor. To the first floor are three bedrooms and a landing. Externally the property occupies a generous sized plot with parking and driveway to the front a garage/workshop and a good sized private rear garden.

The property has previously been rented and unfortunately has been left in a bad state cosmetically. There is cosmetic work needed as you can see from the photographs however the property is being offered at low guide price to allow for a profit for investment buyers.

We strongly recommend an early viewing to avoid disappointment.
