Description

Offered for sale with no onward chain, this two bedroom end terrace cottage occupies an idyllic rural position and presents an exciting opportunity for renovation, extension, or redevelopment, subject to the necessary planning consents.

Requiring general updating throughout, the existing accommodation comprises two reception rooms on the ground floor, with two bedrooms to the first floor. The property offers character and appeal but its true value lies in the significant potential it presents for those looking to create a bespoke countryside home or maximise the site's future possibilities.

Set back from the road and enjoying open views across neighbouring farmland to both the front and rear, the property benefits from a peaceful rural setting whilst remaining conveniently located approximately three miles from Royal Wootton Bassett with its abundance of independent shops and eateries. The town also benefits from a very well regarded secondary school and a choice of reputable primary schools plus excellent road links for the M4, M5 and A419.

Please note the property doesn't benefit from a right of access from the road situated to the North East of the property as per the Title Plan
