Description

Being Sold via Secure Sale online bidding. Terms & Conditions apply. Starting Bid £72,000

Benefitting from its own ground floor front door and hallway, the apartment enjoys a pleasant south westerly aspect over the landscaped central square from the living room, and features replacement uPVC double glazed windows with white internal frames and several trickle vents. The development was built and created in 1986 by Laing Homes Ltd. With the age restriction that a purchaser is at least 60 years old. Design characteristics include light ash style doors, electric/storage heating, cupboards in the living room, bedroom, inner hall, and front porch, and light and power switch plates at a user-friendly height. The property also benefits from a recently extended lease.

Set within lovely extensive gardens with associated residents' parking, the maisonette has the advantage of being the end of this 2-storey block and is in a complex of 48 apartments and maisonettes lying to the northeastern side of Alton's historic town centre. The station has a direct line to Waterloo (minimum journey time 67 minutes) with other neighbourhood facilities including a Waitrose store, shops, the Alton House Hotel, Wilson Practice Health Centre and Anstey Road Pharmacy, the adjacent Brendon care complex with its respite and long term care facilities, St Mary's RC Church, a vets and King's Pond. The High Street has major shops such as M&S, Boots and Iceland with Sainsbury's just beyond. The town also has weekly and specialist open air markets, interest societies, churches of several denominations, HSDC Alton College, a sports centre, a network of footpaths and, on the outskirts, 2 golf courses.
